Rev. Darrell LaRue Armstrong

Reverend Darrell L. Armstrong is the Pastor for Shiloh Baptist Church, where his leadership lead to the creation of the Family Empowerment Zone, a large-scale neighborhood revitalization and community development effort. Having spent most of his childhood in foster and kinship care, he is committed to the notion that strengthening families is a strategy for preventing child abuse and neglect.

ABOUT THIS SESSION

This webinar highlights the unique and trusted role of faith-based and nonprofit organizations in supporting families and preventing abuse. Participants will learn how these groups can act as first responders, liaisons, and advocates within their communities. The session will explore how to create partnerships between these organizations and public systems, design community-specific programs, and build networks that reflect the unique needs of families.

LEARNING OBJECTIVES

- Equip churches and nonprofits to become trusted connectors for families.
- Address barriers families face in accessing formal services.
- Explore successful church-parish partnerships in prevention work.
